Information was accurate and adequate; Content met my needs (what I wanted to know about)	ANGIE COVERED EVERY SINGLE ITEM WE ASKED FOR. THE INFORMATION WAS THOROUGH & WELL-DOCUMENTED.
Handouts, bibliographies, and other materials were helpful to me and relevant	ANGIE HAD CREATED A NICE HANDOUT WITH COPIES OF HER BLOG PAGES AND PERTINENT ITEMS ENCLOSED, INCLUDING A WELL-ORGANIZED BIBLIOGRAPHY.
Seminar skills: organization of presentation, eye contact, pace; use of time	GOOD USE OF TIME & VERY ORGANIZED - A LITTLE DIFFICULTY NAVIGATING THE BLOG LINKS, ETC, BUT IT DIDN'T REALLY MATTER (NERVES). SHE HAS A NICE, RELAXED STYLE AND IS WELL-SPOKEN.
Presentation format(s) and activities were appropriate for my learning style	I THOUGHT THE IDEA OF CREATING THE BLOG FOR THE PRESENTATION WAS UNIQUE (AT LEAST TO ME) & THE PRESENTATION WAS IN A LECTURE FORMAT WHICH I PREFER
Time for seminar discussion was provided and facilitated by presenter	WE DIDN'T HAVE A LOT OF DISCUSSION, BUT WAS NOT AN ISSUE DUE TO PRESENTATION TYPE.
Overall effectiveness Wow! (Excellent/ Good/ Adequate (Fair)/ Did not meet my needs (Poor)	AGAIN, I REALLY LIKED THE BLOG IDEA FOR PRESENTATION WHICH OPENS UP MANY AVENUES. I GUESS I WOULD HAVE PREFERRED A MORE

IN-DEPTH LOOK AT JUST A COUPLE OF THINGS, BUT ANGIE WAS ADDRESSING THE GROUP'S WIDE-RANGING REQUESTS.

Information was accurate and adequate; Content met my needs (what I wanted to know about)	Lots of information here, almost too much for the time allotted, but all relevant and well organized + interconnected
Handouts, bibliographies, and other materials were helpful to me and relevant	Folder with printed summaries, articles and bibliographies was awesome.
Seminar skills: organization of presentation, eye contact, pace; use of time	Creative organization, but the actual presentation seemed a bit scattered. Main problem seemed to be getting the videos to work.
Presentation format(s) and activities were appropriate for my learning style	I love the idea of organizing this presentation in the format of a blog, really bit with the topic of communication. Near video activity.
Time for seminar discussion was provided and facilitated by presenter	So much info was presented that there was not too much time for discussion, but there was some included.
Overall effectiveness Wow! (Excellent/ Good/ Adequate (Fair)/ Did not meet my needs (Poor)	Excellent!

Information was accurate and adequate; Content met my needs (what I wanted to know about)	Great job meeting our needs, extremely thorough
Handouts, bibliographies, and other materials were helpful to me and relevant	Handout of the year! So professional
Seminar skills: organization of presentation, eye contact, pace; use of time	tried to tackle too much information Narrowing focus would allowed more absorption
Presentation format(s) and activities were appropriate for my learning style	Kudos for not using Power Point
Time for seminar discussion was provided and facilitated by presenter	Time provided to discuss Easter Parade but not for much else
Overall effectiveness Wow!/ Excellent/ Good/ Adequate (Fair)/ Did not meet my needs (Poor)	Technical difficulties and scattered but still an excellent presentation

Information was accurate and adequate; Content met my needs (what I wanted to know about)	Great job on content. Covered what I wanted to know
Handouts, bibliographies, and other materials were helpful to me and relevant	Excellent on handouts. The best in our group
Seminar skills: organization of presentation, eye contact, pace; use of time	This was good but no polished. Eye contact was good. The pace and use of time could be better.
Presentation format(s) and activities were appropriate for my learning style	I agree. I don't think there was I think there could be more activities
Time for seminar discussion was provided and facilitated by presenter	I think this part could have been better. It was the end of the day and they are starting to blend.
Overall effectiveness Wow!/ Excellent/ Good/ Adequate (Fair)/ Did not meet my needs (Poor)	Excellent
